Heather Chantry and her father, Ralph, pose for a photo with the 2008 St. Francis Cancer Center ASA racecar.

The Story ...

This endeavor was created to help raise awareness and support the St. Francis Cancer Center.

The racecar sponsorship is made possible by Heather Chantry and Community Chest Racing, Inc. In November 2007, Heather's mother, Audrey Chantry, passed away after a courageous 7-month battle with bone marrow cancer. Prior to Audrey's passing, Heather (herself a breast cancer survivor) and her mom made the decision to help raise money and awareness for the cause, and support a local cancer center. Racing would be the vehicle and the chosen center would be the St. Francis Cancer Center.

Funds raised during the 2008 racing season will be donated to the St. Francis Cancer Center. Proceeds will come from t-shirt sales, individual donations, carnival games and more!

A few upcoming local events with the St. Francis Cancer Center racecar include:

Tires Plus, Northfield	April 18 th , 1-5 pm (Northfield) *Car displayed/racecar booth
