

# Social Group

**Are you looking for an opportunity for your child to meet other children to expand his or her social skills?**

Would you like to give your child practice using social skills with trained speech-language pathologists using a special curriculum?

Social groups at Capable Kids Pediatric Therapy will consist of no more than eight children organized by age and skill level. Facilitated by adults specifically to target children's social skills, the sessions will include home exercises, worksheets, prizes, games, snacks and more!

For more information contact one of our Capable Kids Pediatric Therapy locations:
